

Land measurement:

Land measurement of our area at Ananda Nagar was done for demarcating the land for plantation project.

Land demarcating

Land demarcating was done by using JCB machine at Koushiki area of Ananda Nagar for boundary demarcation and fencing.

Boundary wall construction at Pundag:

Boundary wall for the land at Hattala near Pundag Rly Station was constructed.

Seminar held at Ananda Nagar:

1st Diocese Seminar was held at Ananda Nagar on 11th July to 13 July 2014. More than two hundred persons attended in this seminar.

Narayan Seva (Mass Feeding):

Narayan Seva was organized by Volunteers Social Service Department at Guridih, Ananda Marga Junior High School. Nearly five hundred people were fed.

Electrification in new areas at Anandanagar

Fourteen places at Anandanagar were not having any Electric connection from the Government's Electric Department. These are :

1. Madhu Malay MG Quarters,
2. LFT Global Basic Training Centre
3. Prout Seva Dal Bhavan,
4. Textile college,
5. Bhavani Jagrti,
6. Atulananda Bhavan
7. Uttar Pratyanta Jr. High School
8. Talmu Primary School of Jaipur block of Ananda Nagar,
9. Madhu Murchana MG Quarters,
10. Rambhutan Compound,
11. Abhedananda Dihj,
12. G.V. Compound,
13. GP Compound of Women Welfare Department etc.
14. Students Home of Jhalda II (Kotshila)

Apart from these places following four villages of Jhalda II Block were also perused for new electric connection which are

1. Maramu-Bhuchungdih
2. Samla Tanr
3. Khepiakuli
4. Khatanga Bhuchungdih

We had provided Solar electric lamps to the villagers last year,

After our repeated persuasions the Government's Rural Electric Department is fixing electric lines to the units without any expenses from our side.

Seed distribution

Ananda Marga Farm department have distributed total 27 quintals of high yielding paddy seeds (rice) to 103 poor farmers of Kamalapur, Maka, Chirkamu & Bali village. This will make them become self sufficient in respect of food.

Medical camp

Ananda Marga Medical Department of Ananda Nagar Have organized a Medical Camp at Guridih village on 19 July. About 90 villagers got benefited. On July 26 another Medical camp at Damru village was held. About 75 patients got benefited.

Medical camp at Guridih village

Medical camp at Damrughutu village

Plantation

During this rainy season, plantation is going on in full swing. So far about 22000 plants have been planted at places like Koushiki, Guridih, Nowahatu and Talmu villages. School children are eagerly participating in this plantation.

Special features of Ānandanagar

- 1) Situated between three natural watersheds :
 - a. the Damodar river,
 - b. the Kansabati river and
 - c. the Subarñarekha river.
- 2) Ānandanagar is within the Damodar basin. Its six rivers :
 - a. the Uttara river (Chutki Goyai),
 - b. the Dakśiñá river (Badki Goyai),
 - c. the Mandakinii river (Pidi), t
 - d. the Alakánandá (Álkuśá),
 - e. the Parágati river (Padgan) and
 - f. the Kuntii river (Kupiyá)

all fall into the Damodar river.

- 3) The cradle of civilization.
- 4) The centre for synthesis of Shaevatantra, Jaenatantra and Baoddhatantra.

- 5) The greatest tantra centre for spiritual practice.
- 6) Belamu Hills --- the oldest hill in the world.
- 7) A dead volcano, called Dimbagiri or Dimdiha Hill.
