Belated special news

Last month we publish news about visiting of overseas margiis from Argentina and other countries. We are sorry for not providing full information as the same was not available at the time of publishing the news. Ten margiis from Argentina consisting of Psychologists, Advocate, Architect, Teacher, Bank Officer, and Air-hostess who are margiis for 6 to 30 years. They have very strong sentiment on Anandanagar and because of this pure sentiment, since many years they have been contributing donation for several service projects of Anandanagar.

This time they visited following places and donated for the under mentioned purposes:

1. Rs. 1,00,000 for construction of Shyampur Lady managed School
2. Rs. 80,000 for Lady managed hospital at Shyampur
3. Rs. 23,000 for a new computer Lady managed school at Jhalda

6. Coming to know that the poor home boys and girls used to study with a single text book for two students, they became very sad and spent Rs. 18,000. Now each home student have their own text book.

The children out of joy expressed to these margiis that it was the first time in their life, they have received a complete set from someone. The experience was simply just wonderful.

Altogether this time they spent more than Rs. 6 lakhs for different **service projects** of Anandanagar. They were very much grateful to Baba for giving them this opportunity to do something, for Anandanagar, HIS mission. And they also promised to continue this great service for Ananda Nagar and with this sentient desire they left for Argentina.

How Land for Anandanagar was obtained

(continued from October issue)

The land was largely covered by bushes. It was flanked on two sides by rivulets. The land in between was partly plane and partly undulating. A little beyond the rivers, there was dense forest. Even in day time, we saw some jackal-like creatures move about. The place had wonderful natural beauty. If we get such a large parcel of land, it will be possible for us to take up many humanitarian projects desired by Baba. With this in our minds, we came back to Garjajpur in the evening.

We stayed in a hotel at Puruliya for a few days to consult lawyers and they wondered why the Rani was making a gift of such a large parcel of land, spanning five hundred bighás, to the Márga. Pranaydá explained things to them. All of them cooperated with us.

In due time, the deed for gift of the land was registered. Our highly revered Baba named that hallowed land Ánandanagar. After formalization of the deed of gift, the work of various projects for service and development began. Father himself made a plan showing where which house or institution would be located.

Father again and again praised this generosity and philanthropy of the royal family. On the day of 23 Falgun, 1370, by the Bengali calendar, Father sent this letter of thanks to Shriimatii Prafullakumarii Devii.

“The auspicious beginning of the vast yajiña of action at Ánandanagar has been possible due to cooperation from and sympathy of Shriimatii Prafullakumarii Devii. I convey to her my heartfelt thanks. Let her example be emulated by everyone”.
