New Project by Farm Department at Bansgarh

Bansgarh is 7 KM from the central Farm building. FARM Department recently acquired 25 acres of land in Bansgarh wherein an old and dilapidated building was there. The old building has been demolished and a new double storied building is under construction adjacent to the demolish building. Each floor will have four rooms with attached toilets and a common kitchen. The building will be used for accommodation of the margii and non-margii visitors of Ananda Nagar and it will be looked after by a caretaker. It is planned to establish mango orchard and different fruit orchards on this land.

The place is also having beautiful natural scenery. After construction of the building, it is expected there will be regular inflow of margii and non-margii visitors. In future a worker will be posted for the project and will be based there.
