## An Appeal

My sincere greetings to all.

Gurudev Shrii Shrii Anandamurtiji, also known as Shrii Prabhataranjan Sarkar, in his book "The Origin of Civilization --- Rarh" says that "Rarh should have a museum soon. If the archeology of Rarh is neglected, not even a speck will remain in the near future. Research needs to be done. With the creation of the museum, research could be accelerated by his motivation. "

By His grace, "Rarh Museum and Research Center" has been set up at Ananda Rekha compound in Ananda Nagar. As soon as it was ready, the corona pandemic began to swell. It was not possible to collect the museum's materials. I humbly appeal to all of you to please collect and send the Statues of various gods and

goddesses, terracotta patterns, floral art, sola art, confectionery, textiles, weapons, jewelry, folk music, mask art, manuscripts, various minerals and other things used in the past so that those may be displayed in the Rarh Musium. I also request you to intimate the names of the Person(s) collected it individually or collectively and the name of the place from where it is collected which will be mentioned along with the object.

West Rarh area covers:

(1) Santal Pargana (2) Most of Birbhum district (3) West of Bardhaman (4) Bankura District except Indas Thana (5) Purulia District (6) Dhanbad District (6) Giridi District (6) Ramgarh District (9) Former Singbhum District (10) Former Silli, Sonahatu, Bundu and Tamar thanas of Ranchi district (11) West Midnapore district (12) Jhargram district.
